

Reading and Response Grading Rubric

Students are to read selected books for a minimum of 45 minutes per day. After reading, the student records a response in their journal in the appropriate format. Journal records are to be made every day.

Journal format:

Top of page

Title	Author	Pages Read	Date
-------	--------	------------	------

Students can write using perfect paragraph format responding to what they read. They can give:

Impressions

Thoughts

Answer Questions (provided by the teacher)

Predictions

Opinions

The grading scale by quarter will be:

Reading:

4 Books completed	95
3 Books completed	85
2 Books completed	75
1 Book completed	65

The journal entries will be graded on a five point basis daily. The journal grade will be averaged in with the reading grade for the student's final grade. Students can complete a book report at the end of each book for extra credit. A story analysis can replace one book with teacher approval.
