An Annual Purchase Survey is only allowable when a cycle menu is used.

1. The Annual Purchase Survey list of products must be developed no less than one time per year.
2. The Annual Purchase Survey must include no less than $\mathbf{7 5 \%}$ of items that are:
a. most frequently purchased
b. products that make up the largest part of the budget
3. Prices must be obtained for the products on the Annual Purchase Survey from two or more vendors.
4. Food items will be purchased from the vendor/store based on the results of the current Annual Purchase Survey. The Annual Purchase Survey must be completed annually.
5. Vendor/store selection will be to the lowest and best quote based upon quality, service availability, but primarily price. If other criteria is used, this must be documented.
6. Documentation of records must be maintained to show selection of vendor, reasons for selection, names of all vendors contacted, price quotes from each vendor, and written specifications.
7. Documentation must be maintained that the actual product specified is received.
8. Documentation must be maintained to reflect that the food items purchased support the cycle menu.
9. If the cycle menu is significantly altered in the course of the year, a new Purchase Survey must be conducted.
10. Non-food items not included in the Annual Purchase Survey should follow standard Informal Procurement requirements by obtaining two or more quotes.
