The Sylvan Learning Center has been delivering and guaranteeing educational results for 27 years in the Anchorage community. Students from all over the state of Alaska have attended our center and become stronger students as a result. At Sylvan, we ensure student success with a combination of personalized lesson plans, diagnostic testing, and caring instruction in a positive environment.

Sylvan Academic Reading and Basic Math programs are delivered on-line with a live tutor. Many students see academics improve at Sylvan, even after they have struggled for years with other types of tutoring. Parents receive regular feedback about their child's progress, and as a student's skills improve their lesson plan changes pace to match their achievements. Whether a child needs to improve reading or math tutoring, Sylvan Learning Center will help.

The Sylvan guarantee of progress for improving student's grade level performance is well known!

Why is Sylvan so successful? We begin with a unique approach to learning that sets us apart from other tutors and services. In fact, more parents turn to Sylvan than any other tutor. We call our approach the Sylvan Advantage. It's a proven process that works.

Our instructors are certified teachers who are trained in Sylvan programs and care about good education.

Sylvan has a wonderful, well-deserved reputation. You don't have to wonder if Sylvan will work for you and your student; ask your friends and neighbors how it worked for them!
